Quotes from people who have heard Greg perform live:

"Saw the Valentine Concert at St. Ann's today. It was a total delight. Being a Broadway and Lloyd-Webber fan, I was in heaven! I am listening to your CD as I write. Your voice gives me chills. I will just have to put my Michael Ball and Michael Crawford aside for a while. You belong on the Broadway stage. Good luck in the future!"

"...thank you for providing us with such a treat on Saturday. Listening to the CD is great but it is so much more powerful in person. You were absolutely wonderful and have been blessed with a special gift. "

"Fabulous!"

"I had never had the pleasure of seeing you perform and did not realize what I had missed. Your performance was outstanding. "

"What a superb performance you gave last Saturday night. I'm so glad I decided to attend. Thank you for the pleasure of your songs."
